

## New Things Tree

Giving things a try is how we find out what we like. It's also how we learn and grow. As you fill this tree with "new things" leaves, you will see how much you have learned, too!

## New Things Tree

### How to Make It:

1. Label each leaf with a new task, food, or activity your child has tried.
2. Cut out the leaves.
3. Help your child paste them on the paper tree.
