

Seeds for Good

You can help good things happen! A grown-up can write down two things you want for the world or your community. Together, think of one way you can make them come true, then draw a flower growing from each seed. For example:

- **I want** the world to be safe and clean for all living things/**I am going to** put garbage in the garbage can.
- **I want** to make a new friend/**I am going to** share a toy with them.
- **I want** everyone to have enough healthy food/**I am going to** collect coins to donate to a food pantry.

A horizontal bar representing soil with two seeds on top. Each seed has a small root-like shape below it.	
I WANT: _____ _____	I WANT: _____ _____
I AM GOING TO: _____ _____	I AM GOING TO: _____ _____
