The form is a large rectangle with a dashed outer border. Inside, there are four small icons in the corners: an apple in the top-left, a toothbrush in the top-right, a glass of water in the bottom-left, and a girl's face in the bottom-right. In the center, there is a drawing of Abby Cadabby, a pink Muppet character with pigtails, wearing a white dress and holding a plate of cookies. Above the drawing, the words "from:" and "to:" are printed.
