

We're Different and We're the Same

- Write your name in one circle and a friend's name in the other.
- Draw or write things that you like and are good at in your circle.
- Draw or write things your friend likes and is good at in his or her circle.
- Draw or write things that you are both good at and that you both like in the part that overlaps. This part shows how you are the same.

My Name

My Friend's Name
