

We Belong

I am here, you are here
Wave hello because we know
That we belong, this is our song
Together growing and always knowing

Elmo sees you. I see you, too!
We help, we hear, we want you near!

'Cause we belong, this is our song
Let's all sing out
It's not the same without you, you
It's not the same without you

We are friends, our friendship never ends
The love we all bring makes us wanna sing
'cause we belong, this is our song
We need you here, we want you near

And we belong, this is our song
Singing, dancing, playing
We'll always be here saying
That we belong, this is our song
Together growing and always knowing
That we belong
