

C Is For....

There are so many important words that start with the letter C. Practice writing the letter C. Then color in the words and talk with a grown-up about each word.

Community

is a group of people that learn, live, or work together. A classroom is a community!

Who are some people in your community?

Caring

is when you're kind to one another.

Talk about a time you were caring.

Compassion

is seeing that someone needs help, asking if you can help them, and then helping them.

Talk about a time you showed compassion.

Collaborate

means working together and helping each other.

Talk about a time you collaborated with someone.

Calm

is when we're relaxed and peaceful.

Make a face that shows "calm."

And...

COOKIE!
