Salam looks back.

“Time to come home, Salam,” he hears his mother calling.

Elmo, Raya and Tala say, “Time to go home.”

It was fun to play with the Dot Ball with friends.

Tala and Elmo walk to the small playground
near Raya's house.
Raya is holding a paper ball she made with Salam.

Raya says “Elmo, Tala! Look what we made!
I squeezed the paper into a ball.
I added more and more paper to make it
bigger and bigger.”

“I painted red, yellow, and green dots on it,” Salam says.
“That’s why we call it the Dot Ball.
Do you want to play with it?” asks Raya.
“Yes,” say both.

“Elmo, let’s play the new game,” says Tala.
Elmo says, “Yes, Elmo wants to play the new game!”
“What game is that?” ask Raya and Salam.
“Let’s get into a circle.
We will each throw the ball to someone in the circle.”
says Tala.
Elmo says “If you drop the ball, you have to do
something funny.”

“Like what?” asks Raya.

“Sing, act, or say a rhyme in a funny way,” says Elmo.

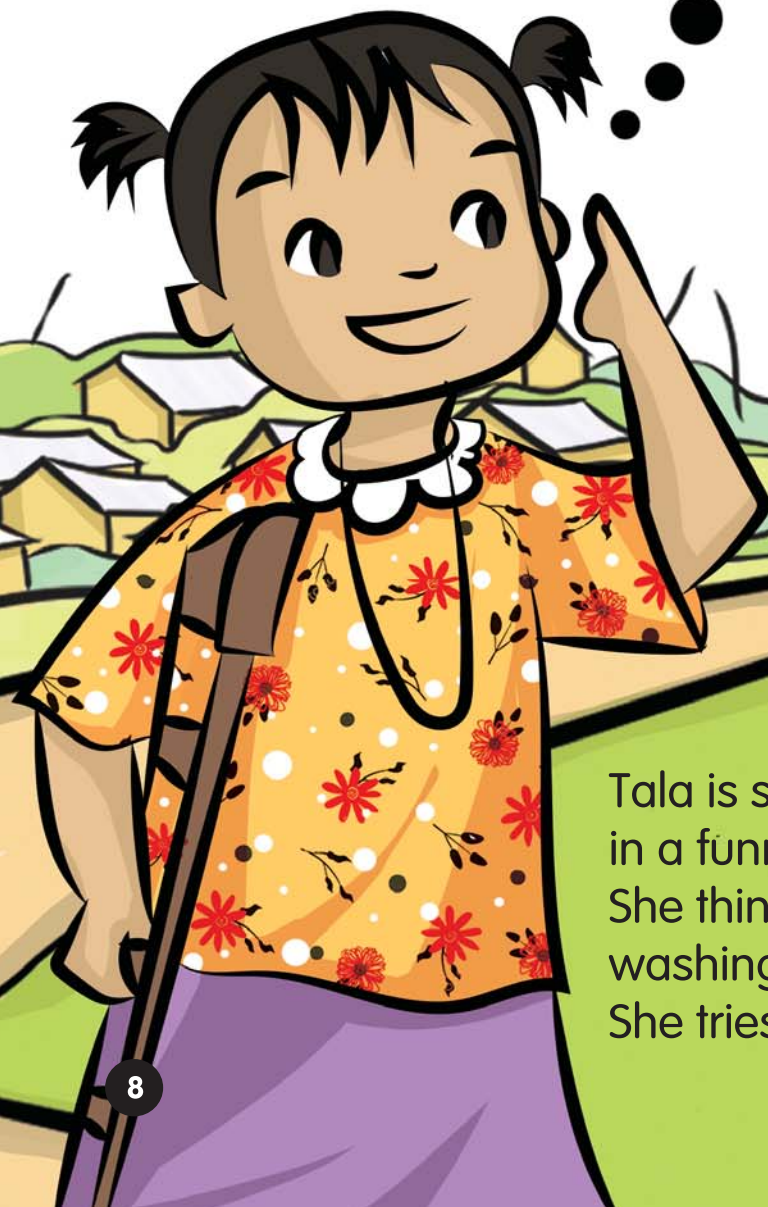

All four of them get into a circle. Elmo holds the ball.

He says, “Elmo will start the game”.

Elmo passes it to...Tala!
Tala catches the ball and throws to Raya.
She passes to Salam. He gives it to Tala.
Oh no, she drops the ball!

Tala is shy. She has to do something in a funny way. She thinks of saying the rhyme on washing hands. She tries to make it fun so she acts it out.

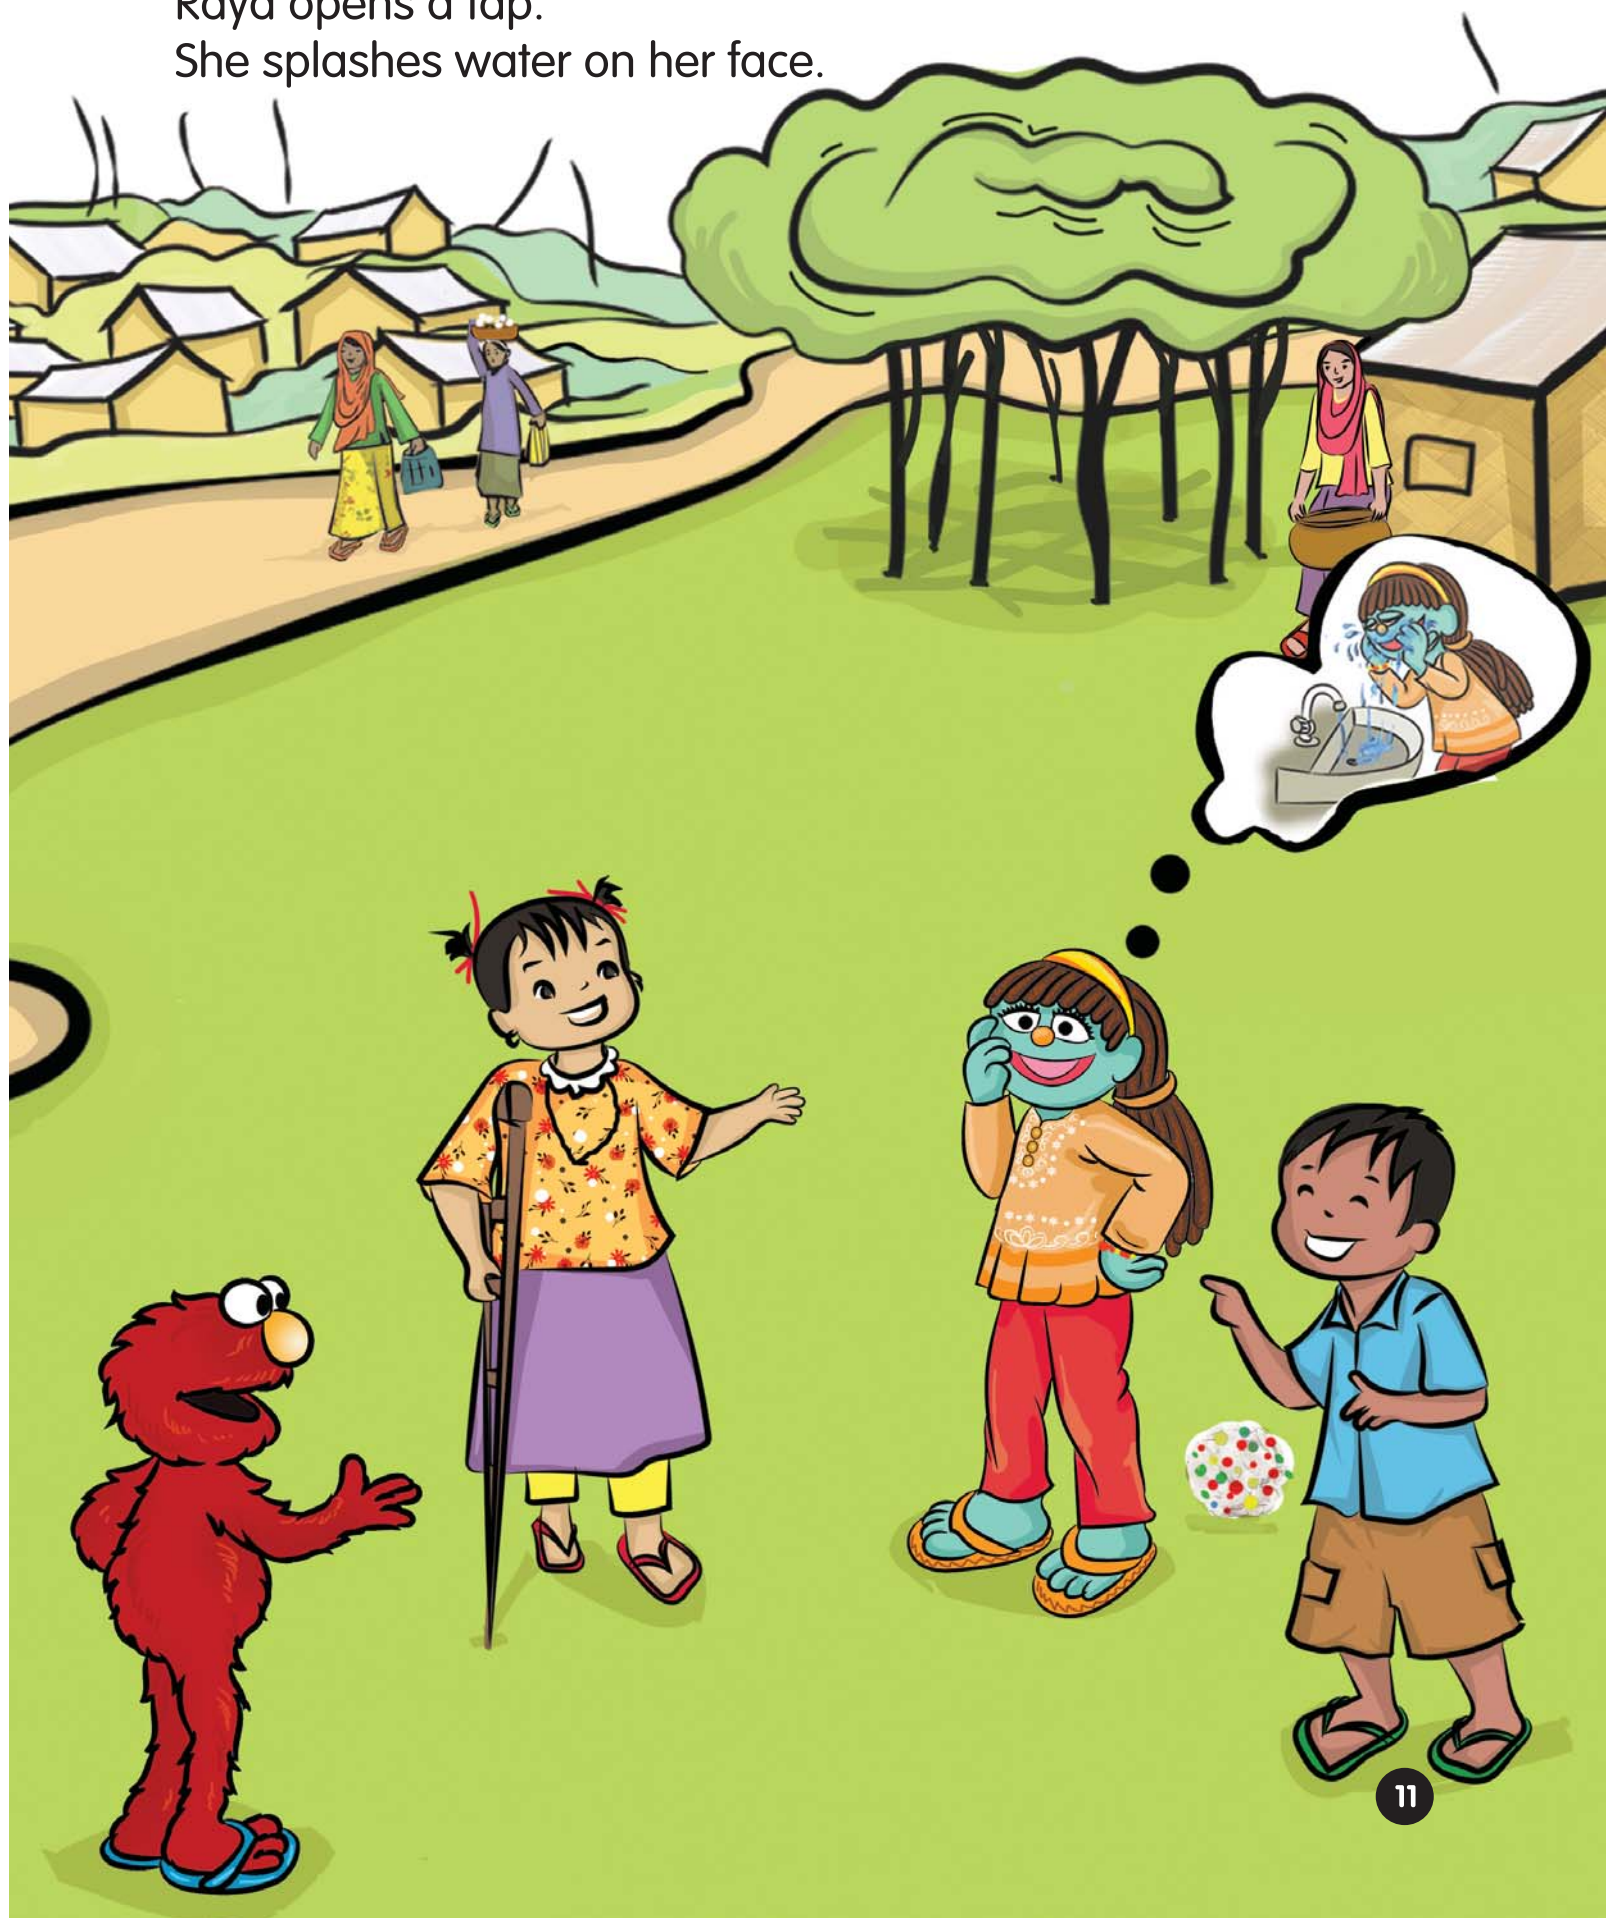

“Wash, wash, wash.
Wash with soap.
Rub on the palms,
Rub on the tops.
Rub between fingers
Rub, rub, rub.
Wash with water,
Wash, wash, wash”

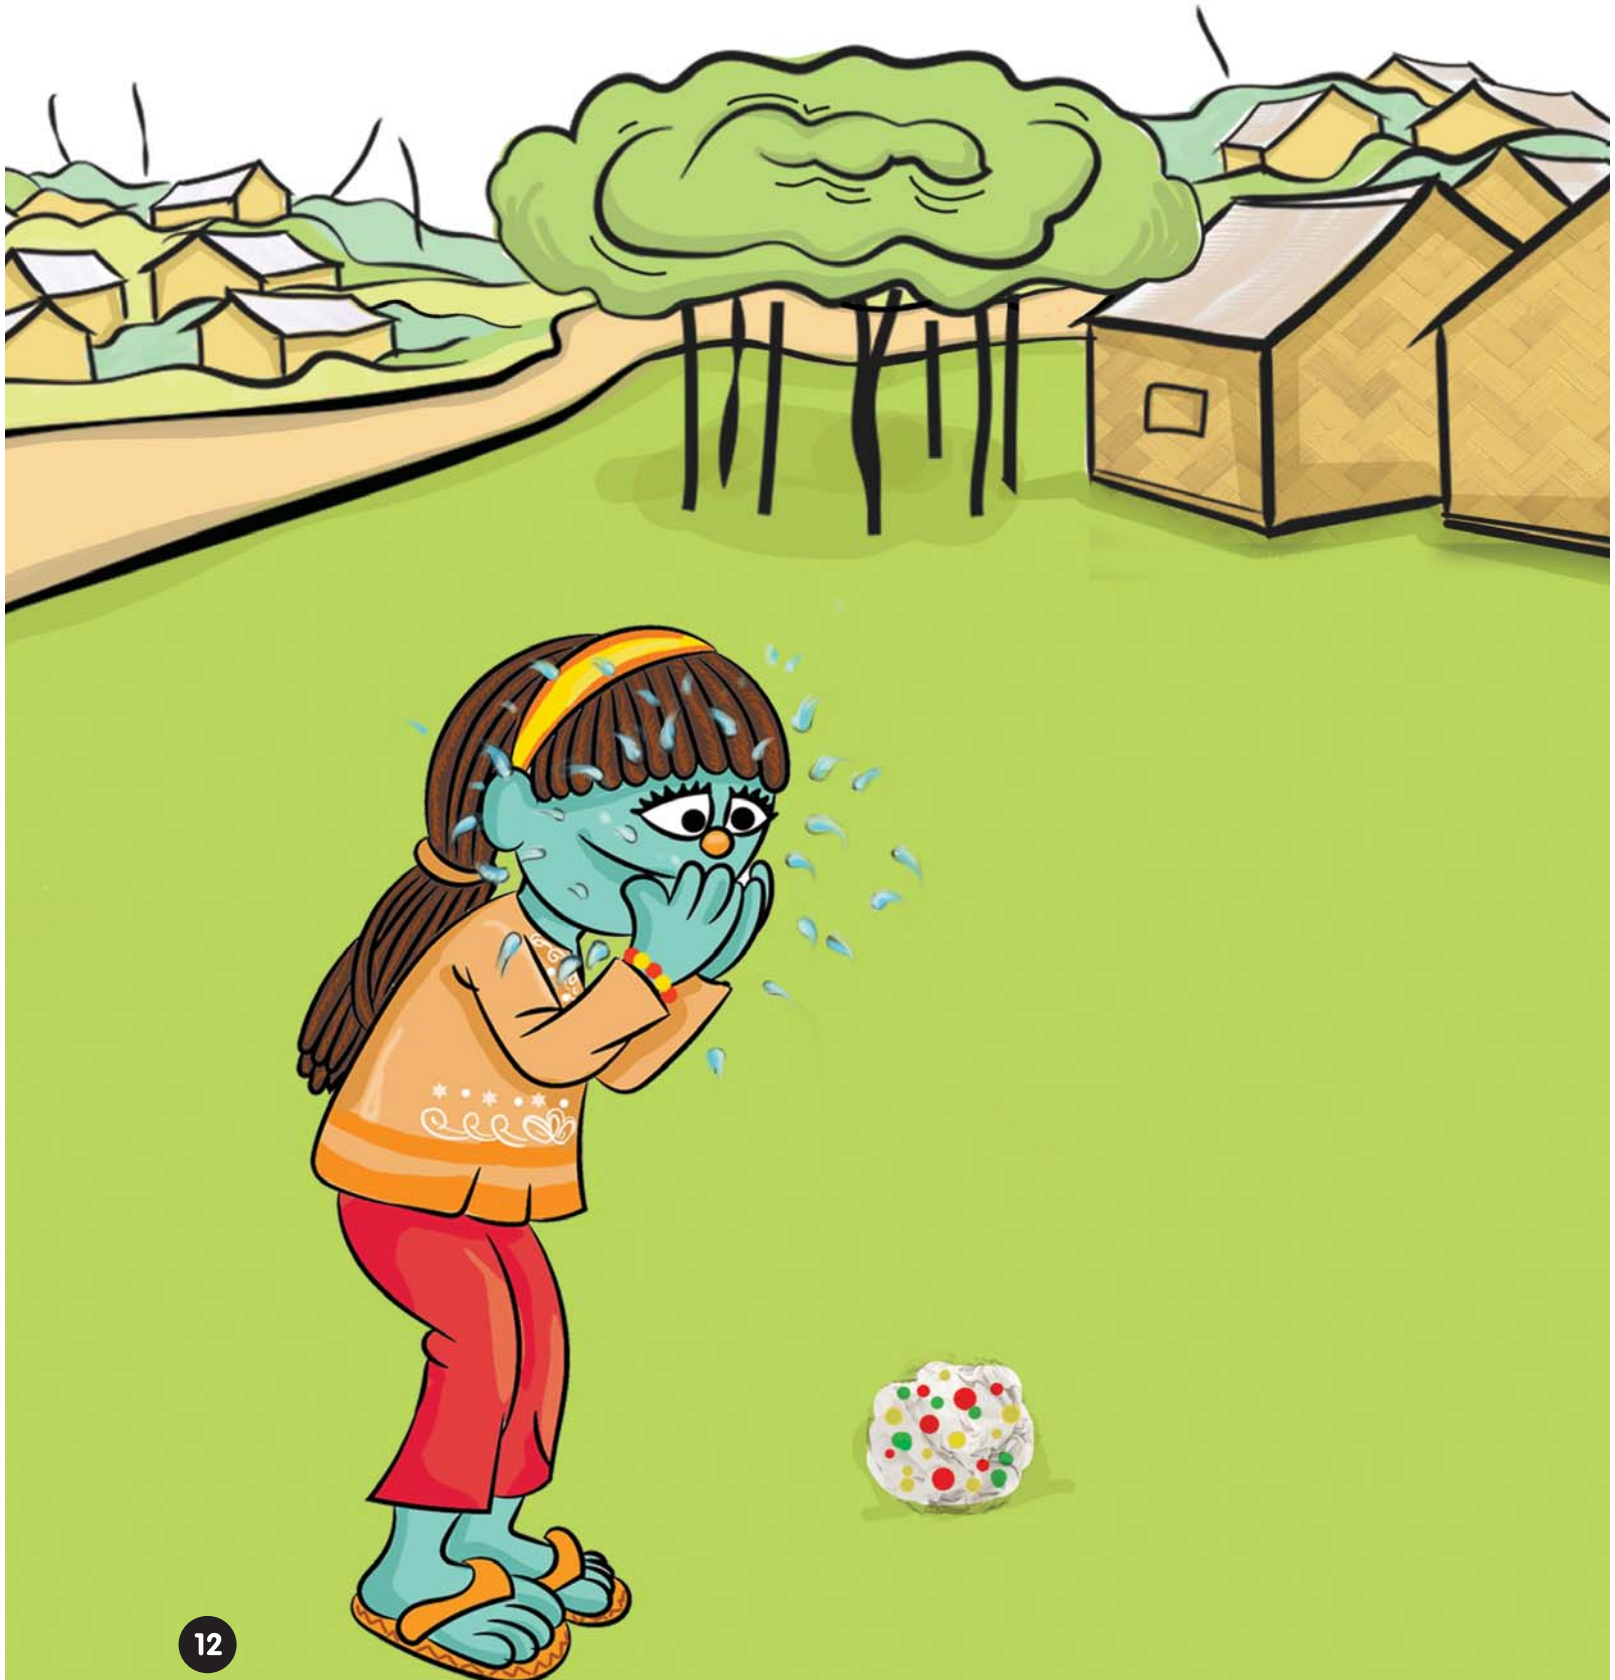

Everyone laughs and claps.
Tala picks up the ball and throws it to Elmo.
The ball passes from one friend to another.
This time Raya drops the ball.

“Time to do something in a funny way,” Raya says.
She thinks for a moment.
“I am going to pretend to wash my face!”
Raya opens a tap.
She splashes water on her face.

She laughs and giggles.
She splashes more water.
The water is cold.
She wriggles and giggles.

Everyone laughs and claps.
She picks up the ball and throws it to Salam.
The ball keeps going from one friend to another.
Oh no, Elmo drops the ball.
“Time for Elmo to do something in a funny way,” Elmo says.

“Ok, Elmo will show how Elmo brushes his teeth.”

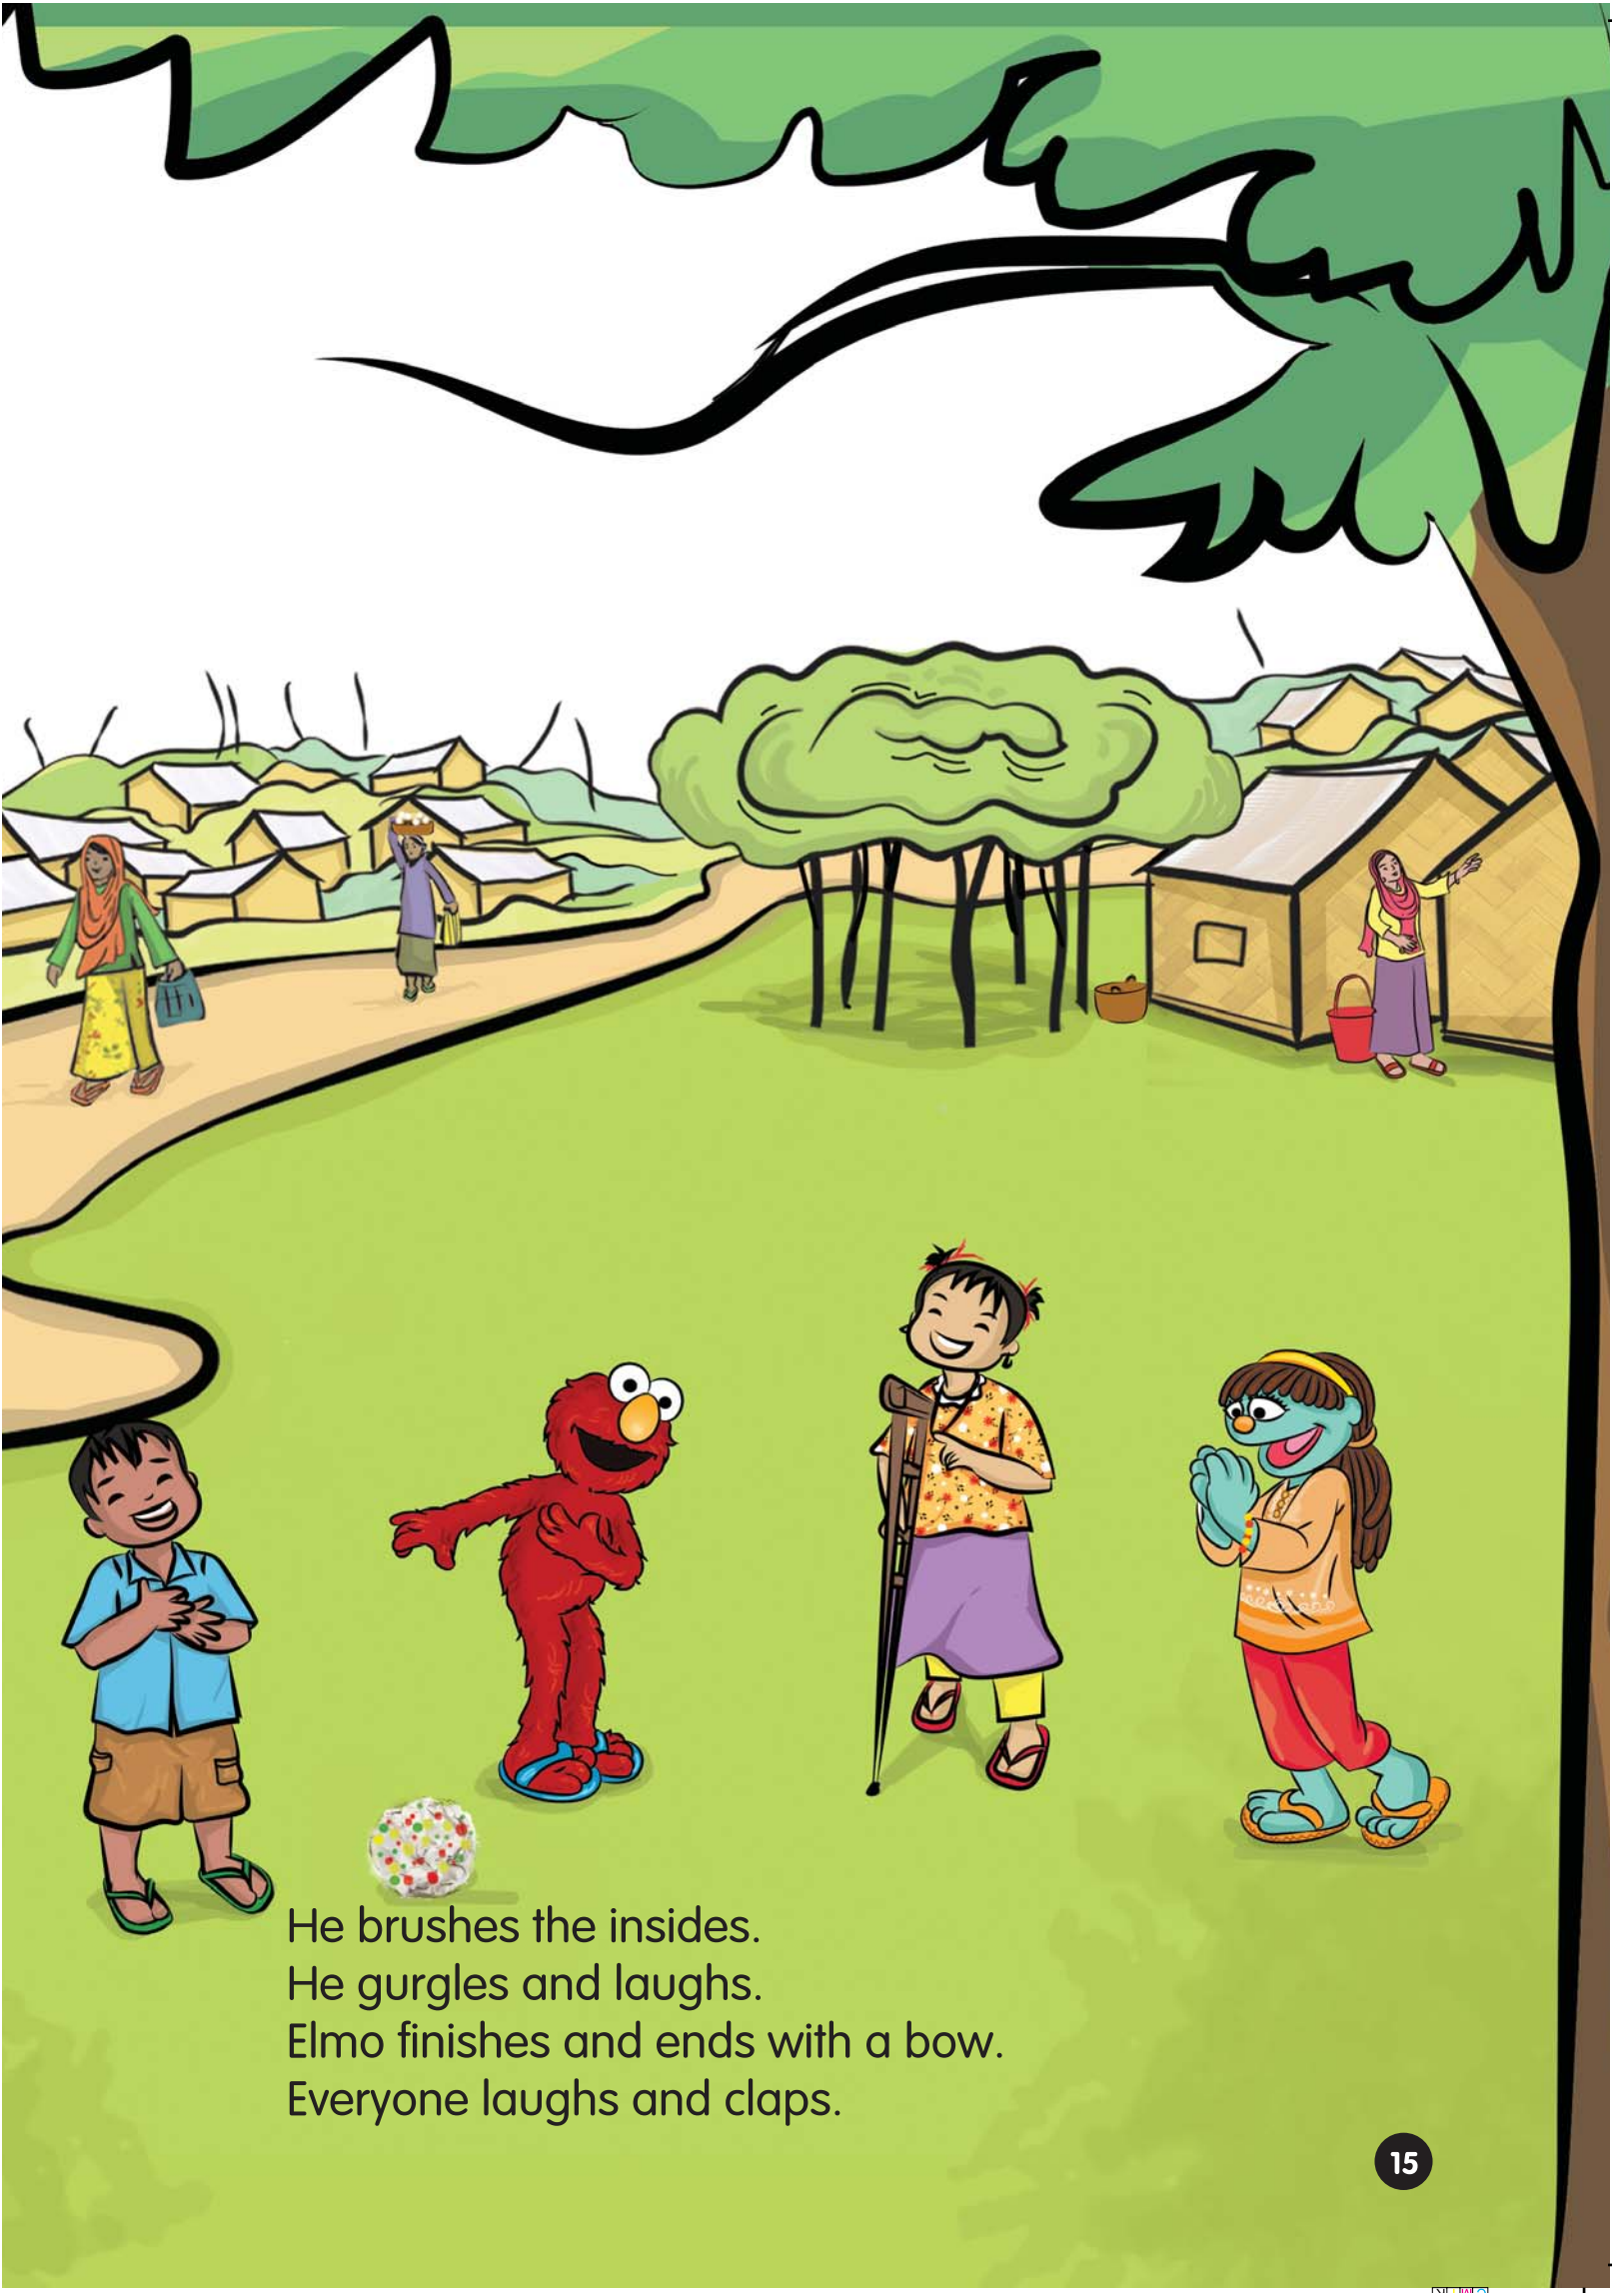

“Elmo squeezes paste on the toothbrush.

Elmo brushes on the left side.

Elmo brushes on the right side.

Elmo brushes from top to down.”

He brushes the insides.
He gurgles and laughs.
Elmo finishes and ends with a bow.
Everyone laughs and claps.

They are enjoying the game.
They throw high, throw low.
The ball goes high over Salam's head. He jumps to catch.
It goes far. It goes rolling, rolling, rolling and stops with a
thump in front of Salam's house!
