

"Celebrating Choices" Collage

We make so many choices every day, including how to spend the free time we have. Take turns choosing and coloring your favorite things to do together. Then have an adult cut the cards and together tape or glue them onto a larger sheet of paper. Post it on the refrigerator to celebrate all the ways you choose to connect. When you have free time, use the collage to pick an activity to do together!

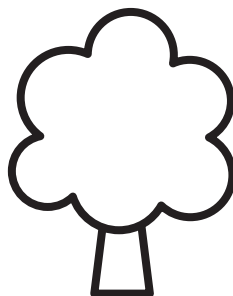

Cuddling or hugging

Watching & talking about videos together

Spending time outdoors

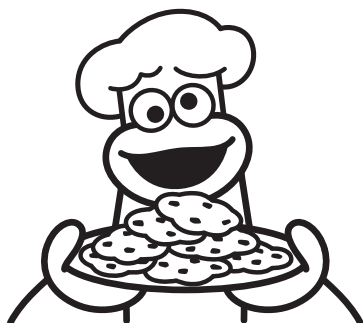

Singing

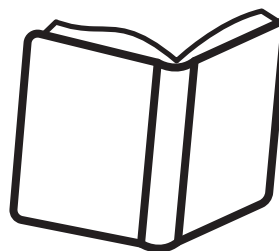

Playing outside games

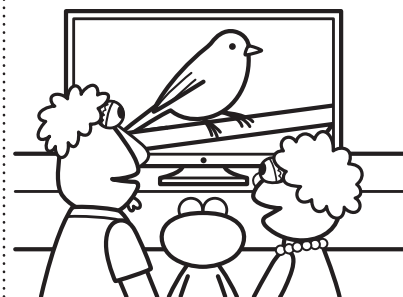

Cooking or baking
