

Talk About It

Talking about what we watch, listen to, and play on devices can help us learn more about one another. Use these phrases and questions to spark conversation and connection. Color the picture together.

I love to hear you laugh!
What is making you giggle?

Who is your favorite character?

Which character is most like you?

What's going to happen next?

How do you think they are feeling?

Should we have an adventure, too?

Do you want to try that?

I like to relax and spend time with you.
